This lovely brick home is situated in town but feels much more rural as you are amongst the tall bushland and all you can hear is the sound of birdlife. The home features 3 bedrooms, the main with ensuite and walk in robe, a good size study, family room with a slow combustion fire and a large sun filled formal lounge with a bay window to spend the afternoon with a good book. The kitchen is spacious with plenty of storage, a dishwasher and a huge breakfast bar for casual dining. The home has lovely slate flooring in the entertaining areas and all bedrooms feature wall to wall carpets. The large undercover outdoor area takes in the lovely views of town and is the perfect spot for entertaining. The property also features a large 9m x 6m powered shed, perfect for a man cave.
