Beautifully Presented family home PRICED REDUCED

This home would suit a variety of people from retirees to large families. There is 1.5 acres of land which has been well set up with plenty of infrastructure including 14x6 shed, large patio with views, chook pen, veggie patch, mixed fruit tree orchard and double carport under the main roof. Inside the home is just perfect, with 4 good size bedrooms, a study, formal dining, large games room/ craft room, kitchen with jarrah cupboards, dishwasher, pantry and gas stove. There are also plenty of extras, too many to mention here. If your after a great home with plenty of space then this would be the one to look at.
